Kolkata ,West Bengal , India

PROFILE

Electronics student with hands-on experience in robotics, embedded systems and PCB design. Strong in problem-solving and teamwork, keen to apply technical skills in an innovative organization and keep learning.

SKILLS

Embedded System	Fusion 360	C++
Proteus	ESP32	Python
PCB Designing	Arduino	3D-Printing
Robotics	Raspberry Pi	

PROFESSIONAL EXPERIENCE

Neocleantech Private Limited **Aug 2026 - Present**
R&D Engineer
Working on product research and development in the engineering team.

Adroidex Knowledge Solutions Pvt. Ltd. **May 2026 - Jul 2026**
Robotics Engineering Intern
Taught Arduino, sensors and robotics to K-12 students. Worked on Fusion 360, 3D printing, line follower robots and a custom PCB/controller board concept.

Mechatron Robotics Pvt. Ltd **Jul 2025 - Aug 2025**
Robotics Intern
Hands-on work in robotics and automation: hardware implementation, testing, system integration and troubleshooting in a team.

Dreamz Vision Finishing **Nov 2023 - Dec 2023**
Embedded System Intern
Built Arduino and ESP32 projects with sensor interfacing and real-time hardware control using embedded C/C++.

PROJECTS

PID Line Follower Robot
PID-based high-speed line tracking using IR sensors and motor driver

Robotic Arm with App Control
Bluetooth-controlled arm with custom mobile app and custom PCB (designed in EasyEDA, assembled manually)

Blood Temperature Monitoring System
Alerts if temperature exceeds safe limit (>30 min)

Drone using CC3D Flight Controller
Built and configured quadcopter with manual/stable flight control

Multi-Purpose Drone
Built with CC3D and Pixhawk + RadioLink CrossFlight: GPS mapping, autonomous grid flight, surveillance, agriculture spraying, payload delivery, auto landing and RTL.

Automatic Toilet Cleaning System
Cleans the seating surface after every use and can map the inner area for cleaning on demand.

Maze Solver Robot
Maps the maze as a matrix and decides its path using LFRB (Left-Front-Right-Back) logic to exit a walled maze.

EDUCATION

B-TECH in Electronics & Communication
Dcrust University, Sonipat **2024-2027**

Diploma in Electronics & Communication
Jangipur Government Polytechnic **2021-2024**

EXTRACURRICULAR ACTIVITIES

- Team Leader, TechBOT (Robotics Team)
- Coordinator, INTEC (Departmental Society)

CERTIFICATIONS & ACHIEVEMENTS

IIT ROPAR
- Got 1st position in LFR competition

DELHI UNIVERSITY
- Got 1st position Autonomous LFR competition

RAJIV GANDHI INSTITUTE OF TECHNOLOGY
- Got 1st position Robo Rescue Competition
- Got 2nd position in Robotics Olympiad

J.C BOSE UNIVERSITY OF SC & TECHNOLOGY
- Got 3rd position in Ideathon competition

AURANGABAD SCIENCE FAIR
- 2nd Position in Science Exhibition & Model Show
