Kolkata ,West Bengal , India

PROFILE

Proactive Electronics student with hands-on experience in robotics, project management, and mentorship. Skilled in problem-solving, circuit design, embedded systems, and basic programming, with the ability to work effectively in team environments. Keen to apply technical knowledge and analytical skills in an innovative organization, committed to continuous learning, growth, and delivering impactful results.

SKILLS

Embedded System	Fusion 360	C++
Proteus	ESP32	Python
PCB Designing	Arduino	3D-Printing
Robotics	Raspberry Pi	

PROFESSIONAL EXPERIENCE

Mechatron Robotics Pvt. Ltd

Jul 2025 - Aug 2025

Robotics Intern

Completed industrial internship in robotics and automation with hands-on experience in hardware implementation and testing. Worked on system integration and troubleshooting to ensure smooth functionality. Collaborated effectively in a team environment to complete technical tasks and projects.

Dreamz Vision Finishing

Nov 2023 - Dec 2023

Embedded System Intern

Completed industrial training in Embedded Systems with hands-on experience in developing microcontroller based projects using Arduino and ESP32. Worked on sensor interfacing and real-time hardware control systems while applying embedded C/C++ for programming and debugging. Gained practical knowledge in circuit design, system integration, and hardware-software interaction.

PROJECTS

PID Line Follower Robot-

PID-based high-speed line tracking using IR sensors and motor driver

Robotic Arm with App Control

Bluetooth-controlled arm with custom mobile app. A custom PCB design - Designed in EasyEDA, fabricated & assembled manually

Blood Temperature Monitoring System

Alerts if temperature exceeds safe limit (>30 min)

Drone using CC3D Flight Controller

Built and configured quadcopter with manual/stable flight control

Obstacle Avoiding Robot Car

Detects obstacles and moves toward free path using ultrasonic + servo

EDUCATION

B-TECH in Electronics & Communication

Dcrust University, Sonipat 2024-2027

Diploma in Electronics & Communication

Jangipur Government Polytechnic 2021-2024

EXTRACURRICULAR ACTIVITIES

- Team Leader, TechBOT (Robotics Team)
- Coordinator, INTEC (Departmental Society)

CERTIFICATIONS & ACHIEVEMENTS

IIT ROPAR

- Got 1st position in LFR competition

DELHI UNIVERSITY

- Got 1st position Autonomous LFR competition

RAJIV GANDHI INSTITUTE OF TECHNOLOGY

- Got 1st position Robo Rescue Competition
- Got 2nd position in Robotics Olympiad

J.C BOSE UNIVERSITY OF SC & TECHNOLOGY

- Got 3rd position in Ideathon competition

AURANGABAD SCIENCE FAIR

- 2nd Position in Science Exhibition & Model Show
